Various Medium Adult Art: Drawing, Watercolor, & Acrylic Painting, still life and portraits. Work on pieces for more than one session. Learn real techniques—don't just copy someone else's painting. You are allowed to bring in "started" works that you need instruction in order to complete. Use oil pastels and/or charcoal on heavy weight drawing papers, watercolor on heavy weight papers, acrylics on artist painting papers, and acrylics on one 16 x 20 canvas. Everyone has the option to do one new canvas painting during this session in addition to the other painting or drawing activities. The cost for the 7 session course is \$154.00 which includes the art supplies, and the class size is a minimum of 4 students and a maximum of 7 students. Once in a lifetime registration fee is \$10 if this is the first time you are taking a class at our school. **If you miss a class you can come to another class day/time to do a free make-up class for a missed class.** All missed classes need to be made up within the same course time frame listed above, within the 7-8 weeks of your course start date. This means Thursday students can do a make-up on Monday and vice versa.

Make-up Policy: We run multiple classes simultaneously so we can offer the make-up sessions. Any make-up sessions that are not completed within 8 weeks from your course start date are forfeited at the end of your 7 week course. You cannot show up next year looking for make-up classes. Repeat: all make-ups must be completed within 8 weeks of your course start date or forfeited.
