You won't find a more comfortable small group setting, with a minimum of 4 adults and no more than 11 adults for our social painting night! This is a step-by-step style class and all adult students will be able to paint one painting that our instructor will be teaching. If you want to paint something unique and take more time, please enroll in our regular 7-week adult art course! Let us make your canvas shine \$10 additional.....leave your painting over night and we will do the work of applying clear gloss to your painting to seal it, and make it look like it's oil paint!
