El Trabajo is a seven week conversational Spanish course designed to build a foundation of useful vocabulary for general office, customer service and travel related conversation. It is also an encouraging and supportive venue to practice speaking Spanish. You will not find such a small setting that allows you to practice speaking and to learn (or re-learn) the Spanish language---minimum 4 and maximum 6 students!

No make-ups for missed classes.

Class dates: March 4, 11, 18, 25, April 1, (skip April 6-10) April 15, April 22

7-8:30pm Beginner 1B (with the most common regular & irregular verbs)

Note: most people that sign up for this course have done some Spanish study during their life (high school or college), but are not able to speak the language correctly and fluidly during a conversation.

Our course is divided into classes which cover:

- people, professions, family members and introductions
- talking about a service or item that you want to buy or sell
- setting up a meeting at a scheduled date and time
- setting up a schedule with agenda items or activities
- asking questions with who, what, why, where, when and how
- speaking about common problems and needs (*I am hungry, I am thirsty, I am in pain, I need help, I need directions*)

In order to speak correctly in Spanish, we will cover the grammar necessary for each subject area listed above. The cost of the 7 session course is \$158. The instructor will provide the handouts, worksheets, work to do at home and references. Please bring your own binder to collect these materials and create your own workbook from these handouts.
